

## PAOLA B. OVANDO-POL, Ph.D.

Group of Environmental Economics, Department of Economics And Politics  
Institute for Public Goods and Policy (IPP), Spanish National Research Council (CSIC)  
E-mail: paola.ovando@csic.es  
Homepage: <https://sites.google.com/site/paolaovandopol/home>  
*Last updated: November 2021*

### RESEARCH INTEREST

My principal research experience and interest focus on two research topics: (i) the development of integrated economic and environmental models to better understand land use and management decisions and their environmental and socioeconomic consequences; and (ii) the economic valuation of ecosystem services and natural capital, and their integration into ecosystem accounting and decision-making frameworks. The main objective of my research is to help the design of more effective spatially targeted environmental and rural development strategies.

### EDUCATION

- 2011 Ph.D. in Economics, Thesis: “Beneficios privados y públicos de la forestación y regeneración natural inducida del alcornocal y el pino piñonero en España” [*Private and public benefits of Cork oak and Stone pine afforestation and facilitated natural regeneration in Spain*], supervised by Prof. Pablo Campos and Dr. Gregorio Montero, University of Alcalá, Spain (high honors)
- 2010 B.Sc., Environmental Sciences, Autonomous University of Madrid, Spain.
- 2003 M.Sc., Ecological Economics, Centre of University Studies, Bolivia.
- 1997 B.Sc., Agribusiness Engineering, University of San Francisco de Quito (high honors).
- 1995 Agricultural Science, Escuela Agrícola Panamericana (EAP), Honduras (honors).

### PROFESSIONAL EXPERIENCE

- 2021- Spanish National Research Council, Senior Researcher
- 2018-2021 James Hutton Institute. Researcher in Natural Capital Accounting.  
Macaulay Development Trust Fellowship in Natural Capital: Tasks: develop research on natural capital assessment and accounting involving land, agricultural and forestry sector and land-based business. Income generation, staff management, MSc and PhD Students supervision, Participation in advisory boards on NC related projects.  
H2020 FirEURisk and H2020 FRAMEwork. **Tasks:** Contribution to project conception, management and implementation.
- 2016-2018 Eawag (The Swiss Federal Institute for Aquatic Science and Technology). Post-doctoral Researcher at Economic and Social Sciences Department. Project:

*Integrated Water-Forest Management Model in Switzerland (WATCH-FOR). Tasks:*  
Project conception, management and implementation.

05. 2014–04. 2016: Grantham Research Institute on Climate Change and the Environment. London School of Economics and Political Science (LSE).

Marie Curie Postdoctoral Fellow. Project FORESTA— *Forest conservation and Ecosystem Accounting. Towards the integration of private and public values into land use decisions modeling at farm scale. An application to Andalusia montes*. **Tasks:** Project conception, management and implementation.

11. 2008–04.2014: Institute for Public Goods and Policy (IPP), Spanish National Research Council (CSIC). Ph.D. Student and Consultancy work for the Andalusian Government, Project: *Total income and capital of Andalusian Forestland* (RECAMAN).

**Tasks:** Group leader 2 working task: (i) *Developing agroforestry system production and capital private and social accounts for a sample of 60 agroforestry farms in Andalusia* (supervision of 10 research assistants: field and lab. work); (ii) Classification, analysis, and development of functional accounts of governmental environmental expenditures on forest ecosystems at regional level (quality control 5 research assistants: field and lab. work). Responsible of developing forest management economic valuation models.

11. 2006–04.2008: Institute for Economics and Geography (IEG), CSIC. Research Assistant. Project: *Scanning Policy Scenarios for the Transition to Sustainable Economic Structures* (TranSust.Scan). **Tasks:** Analysis of competing land demand for afforestation and bioenergy crops in Europe, and empirical implementation of a land use optimal control model.

09. 2001– 04.2008: IEG-CSIC. Research Assistant. Projects:

- i) *Basis for the sustainable Pinus pinea forest management. Extended costs benefit analysis to forestry environmental services.*
- ii) *Design of silvopastoral management models in Mediterranean forest; Applications to Cádiz (Spain) and Ain Draham (Tunisia) cork oak woodlands.*
- iii) *Tools for evaluating investment in the Mediterranean Mountain Areas – An integrated framework for sustainable development (MEDMONT).*
- iv) *Prospective analysis of social and private profitability of Holm and Cork oak reforestations in the period 1994-2000 under the European Regulation 2080/90* (BBVA Foundation).

**Tasks:** Development of Cork oak, Holm Oak and Stone pine forest management economic models for different forest sites in Spain and Tunisia (data collection, analysis and reporting)

09.1998-09.2000. NGO ENERGÉTICA, Energía para el desarrollo, Cochabamba-Bolivia. Consultancy work. Projects:

- i) *Pilot project for energy conversion in the Gypsum and Lime Industry in Cochabamba (Bolivia);* Funded by the Energy Sector Management Assistance Programme of the World Bank (ESMAP/BM).
- ii) *Definition of coordinated sustainable alternatives for the Brick Industry in Champa-Rancho (Bolivia).* Funded by ESMAP/BM.

**Tasks:** Survey design, data collection and socio-economic analysis of location and industrial conversion alternatives. Analysis of the reduction potential of greenhouse gases emission and socio-economic impacts of energy conversion alternatives.

- 08.1997-12.1998. Native Andean Forest Program (PROBONA UICN – INTER-COOPERATION) in Bolivia and Ecuador. Consultancy work. Project:
- i) *Land use economic valuation at two Native Andean Forest Areas in Bolivia. Molani/Palmar and Pajchanti study cases.*
  - ii) *Land use economic valuation and income offset proposal in seven Native Andean Forests.*
- Tasks:** Economic valuation of traditional and alternative land use options using participatory methods, interviews and analysis of local agricultural products and labour markets.

## Recent competitive funding

- 2021-2025: EU H2020. FirEURisk. Developing A Holistic, Risk-Wise Strategy for European Wildfire Management. Ovando (Hutton PI), Nijnik, Roberts, Gagkas. Total value € 10 271 044.00 Hutton value € 289 955.01
- 2020-2021: University of Newcastle. Uplandia: Systems modelling for evidence-informed peatland policy and peatlandia. Glendell, Troldborg, Ovando, Gagkas, Roberts (M), Artz. Total value £40,157; Hutton value £33,464
- 2020-2026: EU H2020. Farmer clusters for realising agrobiodiversity management across Europe. Begg (Hutton PC), Hawes, Kuhfuss, Sutherland, Ellis, Ovando. Total value £6,954,435; Hutton value £1,248,599
- 2014-2016: Marie Curie Intra-European Fellowship. Forest conservation and ecosystem accounting – Towards the integration of private and public values into land use decisions modelling at farm scale (FORESTA). Ovando. Total value £252,650;

Pasado, presente y futuro del negocio corchero. Palafrugell, February 16-18. Contribution: Co-author of the paper.
6. **Ovando, P.**, Campos, P., Oviedo, J.L., Caparrós, A., López, E., Montero, G., 2005. Economía privada de la forestación con alcornoques y la regeneración natural del alcornocal en el Macizo de las Gavarres.: Congreso internacional sobre alcornocales, fábricas y comerciantes. Pasado, presente y futuro del negocio corchero. Palafrugell, February 16-18. Oral presentation.
5. Campos, P., Oviedo, J.L., **Ovando, P.**, Caparrós, A., Montero, G., 2005. La cadena de la economía del corcho en los Montes Propios de Jerez de la Frontera. Congreso internacional sobre alcornocales, fábricas y comerciantes. Pasado, presente y futuro del negocio corchero. Palafrugell, February 16-18. Contribution: Co-author of the paper.2.
4. Campos, P., **Ovando, P.**, Caparrós, A., López, E. Montero, G., 2005. Economía privada de un alcornocal mixto Gavarres (Girona): Estudio piloto de Can Vilallonga. Congreso internacional sobre alcornocales, fábricas y comerciantes. Pasado, presente y futuro del negocio corchero. Palafrugell, February 16-18. Contribution: Co-author of the paper.
3. Rodríguez, Y., Campos, P., **Ovando, P.**, 2004. Comparative Analysis of the EAA/EAF and AAS Agro-Forestry Accounting Systems: Application to a Dehesa Estate. International Congress on Pastoralism and Sustainable Management. Contribution: Co-author of the paper.
2. Campos, P., **Ovando, P.** Rodríguez, Y., 2004. Comparative Analysis of the EAA/EAF and AAS Agro-Forestry Accounting Systems: Theoretical Aspects. International Congress on Pastoralism and Sustainable Management. Contribution: Co-author of the paper.
1. Rodríguez, Y., Campos, P., **Ovando, P.**, 2003. Economía comercial de una dehesa pública en la comarca de Monfragüe. International Symposium on Sustainability of Dehesas, Montados and other Agrosilvopastoral Systems. Contribution: Co-author of the paper.

## SEMINARS, LECTURES AND INVITED TALKS

- 2020      Lecture on Introduction to Environmental Economics to MSc Land Economics, University of Aberdeen. October 2020.
- 2020      Online PESFOR-W training school in Analysis of the cost effectiveness of Woodlands for Water PES – 6 – 8 October 2020, Freiburg, Germany.
- 2019      Lecture on Natural Capital Accounting delegation from the Guizhou Provincial Bureau of Statistics, China, November 2019
- 2019      Lecture on Introduction to Environmental Economics to MSc Land Economics, University of Aberdeen. October 2019.
- 2019      Invited Macaulay Development Trustees Meeting July 2019 on Connecting Natural Capital thinking to land-based business decision-making

- 2019 Host session on Integrated Natural Capital Approaches for land managers. Natural Capital Initiative Summit 2019. Valuing our Life Systems. London, May 21<sup>st</sup>, 2019. Organized in collaboration with AECOM and the Natural Capital Coalition.
- 2019 Lecture on Ecosystem Services and Natural Capital Accounting to MSc Ecology and Conservation students at the School of Biological Sciences, University of Aberdeen, February 2019.
- 2018 Trainer in Water economics, schemes and decision-making tools and Cost-effectiveness of woodland measures; Training School Environmental Effectiveness of Woodland Measures for Reducing Agricultural Diffuse Pollution to Water – Evidence, SWAT Modelling and Decision Support Tools 23-26 October 2018, Vairão, Porto, Portugal
- 2017 Moderator, Panel on Rainfall Recycling<sup>2</sup> as a Landscape Function: Connecting SDGs 6, 13 and 15: Implication for climate, land, water and related policies and actions Global Landscapes Forum (GLF) Bonn, Germany, December 19, 2017.
- 2017 Keynote speaker, Spanish Forestry Conference: Servicios ambientales en los tiempos de la bioeconomía forestal. Retos y Oportunidades en el monte Mediterráneo. Palencia-Spain, June 26-30, 2017
- 2016 Forest management and watershed services: An overview of future research challenges. Environmental Economic Cluster Seminar. Swiss Federal Institute for Aquatic Science and Technology (Eawag), Dübendorf, September 13, 2016.
- 2015 Spatial Valuation of Forests Ecosystem Services and trade-offs analysis in Mediterranean Forest. Grantham Research Institute in Climate Change and The Environment seminar series, London, October 28 2015.
- 2010 Carbon break-even prices of afforestation and avoided degradation of Mediterranean woodlands. Madrid Environmental Economic Seminars (MESS). Madrid, February 25 2010.
- 2003 Sistema de Cuentas Económicas Agroforestales. Indicadores monetarios y biofísicos para calcular la renta sustentable. *Seminario de Agroecología*. Madrid , April 4 2003
- 2003 Aproximaciones económicas a la naturaleza. *Congreso ¿Es la Naturaleza cognoscible?*. Organizador: Universidad Internacional Menéndez Pelayo. Seville, March 26 2003.

## MENTORING AND ADMINISTRATIVE EXPERIENCE

### *Mentoring*

- 09.2020- PhD work Co-supervision with Miriam Glendell (JHI) and Sarah Halliday (U. Dundee), Sayali Pawar Hydronations' Studentship on: *Future-proofing Scotland's water security: delivering safe and resilient water supplies*.
- 04.2020 – 08.2020 MSc Dissertation co-supervision with Mark Metzger (U. Edinburgh) and Kirsty Blackstock (JHI), Jasmine Hussein: *Lessons learnt from adopting natural capital approaches to support sustainable land management in Scotland*. Submitted to

	the School of GeoSciences, University of Edinburgh, as partial fulfilment of the requirements for the degree of MSc in Environmental Sustainability.
04.2020 – 09.2020	MSc Dissertation co-supervision with Jo Vergunst (U. Aberdeen), James Koronka: <i>Bridging Regimes of Value: Carbon and Trees in Woodland Carbon Code Scottish Forests</i> . Submitted to the School of Social Science, University of Aberdeen, as partial fulfilment of the requirements for the degree of MSc People and Environment.
04.2015-09.2015	MSc Dissertation co-supervision with Giles Atkinson (LSE) Supervision MSc Dissertation: <i>Linking payments for Ecosystem Services with Peacebuilding in Colombia. Perceptions from Policy Makers</i> (LSE, UK).
11.2008-04.2014	Mentoring and supervision of 4 lab research assistants (project RECAMAN).

#### *Management and administrative experience*

11.2008-04.2014	Coordination of the fieldwork, data collection, quality control and analysis of economic data on 60 large silvopastoral farms. Supervision, mentoring and follow-up of 10 research assistants.  Classification, analysis and development of functional government environmental expenditure account in Andalusian forest. Supervision, mentoring and follow-up of 5 research assistants.  Responsible of the coordination, budget control and quarterly evaluation of the progress of the 13 working tasks of project RECAMAN.
2006-2008	Administrative Secretary of the Spanish Association of Spanish Portuguese Association of Environmental and Natural Resources Economics (AERNA)

#### *Organization of academic events*

01.2020	Co-Host ES seminar and workshop natural Capital seminar
09.2019	Co host PESF for metting in Dundee
05.2019	Co-host and moderator of the session on 'Integrated natural capital approaches for land managers', session accepted for the Summit 2019 Valuing our Life Support Systems (London, 21.05. 2019). Session co-hosted with Marta Santamaria (Natural Capital Coalition), Sarah Krisht, and Petrina Rowcroft (AECOM).
09.2018	Co-host and moderator of the session on 'Forests for Water: scientific evidence and economic mechanisms for encouraging ecosystem service provision' session of the EU ESP 2018 Conference, San-Sebastian, Spain, 15 October 2018. Session co-hosted with Gregory Valatin (Forestry Commission), David Ellison (SLU, Umea), and Christoph Wildburger (IUFRO).
05.2016- 06.2018	Organization of the Environmental Economic Cluster Seminars at the Swiss Federal Institute for Water Science and Technology.
04.2008	Organization of the <i>Fourth Meeting Project Transition to Sustainable Economic Structures (TransSust.Scan)</i> , Madrid. April, 3-4 2008.

- 05.2007 Organization of the meeting: *Jornada AERNA 2007. La contribución de la economía ambiental, ecológica y de los recursos naturales al diseño de las políticas públicas*. Madrid. May, 24, 2007.
- 10.2001 Organization of the Seminar *Beneficios comerciales y ambientales de la repoblación y la regeneración del arbolado del monte mediterráneo (REN2000-2009-E)*, Instituto de Economía y Geografía del CSIC/Centro de Investigación Forestal del INIA, Madrid. October, 2001.

## RESEARCH EVALUATION AND PEER-REVIEWING

- 09.2019 Evaluation Committee Member PhD Thesis: *integración de la conservación de la biodiversidad en la gestión forestal mediante el empleo de técnicas basadas en la programación matemática. Una aplicación en el Sistema Central*. Universidad Politécnica de Madrid, Spain.
- 2018-2019: Guest-editor of the Special Issue on Payments for Forest Watershed Services of Water Resources and Economics.
- 2011-Present: Peer-reviewing: Ager: Revista de Estudios sobre Despoblación y Desarrollo Rural, Ambiente, Economía Agraria y Recursos Naturales, Ecosystem Services, Environment and Development Economics, Environment and Natural Resources Research, European Journal of Forest Research, Forest, Fires, Forest Ecology and Management, Forest Policy and Economics, Forestry Systems, GCB Bioenergy, International Journal of River Basin Management, Journal of Environmental Management, Journal of Environmental Quality, Journal of Forest Economics, Journal of Forestry, Rangeland Ecology and Management, Restoration Ecology, Water Resources and Economics, Water Economics and Policy.
- 2014-2017: Associated Editor Rangeland Ecology and Management.
- 04.2017 Grant proposal evaluation: Deutsche Forschungsgemeinschaft (German Research Foundation).
- 11.2016 External evaluation committee PhD Thesis: *Econometric models to assess economic and environmental drivers of agroforestry land-use change in Europe*. University of Cadiz, Spain.
- 05.2015 Grant proposal Evaluation: Natural Environment Research Council (NERC), UK.
- 10.2014 External evaluation committee PhD Thesis: *Forest Fire Prevention in Mediterranean Forests: An Environmental Economics Approach* (University of Valladolid, Spain).

## PROFESIONAL MEMBERSHIPS AND MEASURES OF ESTEEM

- 02.2020-Present Member of the Steering Committee Coalition of Capitals Implementation of the TEEB-Agrifood framework in 7 countries

04.2019-Present	Member of the Steering Committee Member EPA funded research project: 2018-NC-LS-2: Irish Natural Capital Accounting for Sustainable Environments
07.2019-Present	Member of International Union of Forest Research Organizations (IUFRO) Task Force on Forests and Water Interactions for 2019-2024
11.2018-Present	Member of the Sustainable Land Use group of the Scottish Forum on Natural Capital
10.2018-Present	Member of the Steering Committees on the Scottish Natural Capital Accounts
07.2017- Present:	Member of the Global Forest Expert Panel on Forests and Water, International Union of Forest Research Organizations (IUFRO).
10.2016-Present:	Cost Action 15206: Payments for Ecosystem Services (Forests for Water). Member representing Switzerland (until 06.2018), and UK (since 07.2018). Member of the Core Group as Vice-leader of Working Group 3 on PES cost-effectiveness analysis.
2014- Present:	Member of the European Association of Environmental and Resources Economists (EAERE), since 2014.
2002-Present:	Member of the Spanish Portuguese Association of Environmental and Natural Resources Economics (AERNA).

## OTHER SKILLS

### *Languages*

Spanish (native)  
 English (C1-C2 level, fluent speaking/reading/writing)  
 German (A2-B1 level, intermediate speaking/reading/writing).

### *Computational skills:*

Matlab, Stata, ArcGIS & QGIS(basic), LATEX, MS Office.
