EAHL General Assembly

Wednesday, 7 May 2025

9:30-11:00 - Aula Catania

PLENARY SESSION “HEALTH LAW IN CONTEXT: EXPLORING EMPIRICAL AND INTERDISCIPLINARY APPROACHES”

Prof. Magdalena Flatscher-Thöni, Dr. Annagrazia Altavilla, Dr. Mirko Dukovic and Dr. Sofia Palmieri

This session introduces participants to the role of empirical legal studies (ELS) in advancing research in health law, while fostering an awareness of interdisciplinary dynamics. It encourages participants to explore how data-driven methods can enrich legal analysis and addresses the practical and methodological challenges of working across disciplines.

11:00-11:15 Coffee break

11:15-13:00

PLENARY SESSION “VOICES FROM THE FIELD”

Dr. Marco Marsella, Head of DG SANTE.C Digital, EU4Health and Health Systems Modernization (online, tbc)

Dr. Francesco Maraglino, Italian Ministry of Health, Member of the EU Health Security Committee and Italian representative to EU Agencies

Dr. Domenico Di Giorgio, Italian Medicine Agency (AIFA), Head of the Quality and Safety of Pharmaceuticals and Anti-Counterfeiting Policies, Italian representative to EMA and one of the “fathers” of the MEDICRIME Convention

Dr. Emanuele Cesta, Italian Medicines Agency (AIFA), Chair of the European Committee on Pharmaceuticals and Pharmaceutical Care, EDQM, Council of Europe

Dr. Sandro Bonfigli, Ministry of Health, National Focal Point for Surveillance at ECDC and Italian Team leader at GHSA Legal Preparedness Action Package

13:00-14:00 Lunch break (buffet)

14:00-16:00

PARALLEL SESSIONS

Panel 5: Minorities in Medicine

Chair: tbd

1. Teresa Andreani – *Towards a Right-based Approach in Long-term Care for Older People? A critique of the European Care Strategy*
2. Zuzanna Zapotoczna – *The new EU directive on combating crime against women and domestic violence – implications for healthcare systems*
3. Katarzyna Widlas-Klimsiak – *Legal Barriers to Mental Health Equality in Poland: A Governance Perspective within the EU Legal Framework*
4. Marie Goemaere – *The legal status of adolescents in health care*

Panel 6: Health Governance and Decision-making in Healthcare

Chair: tbd

1. Danaja Fabcic Povse – *In search of the optimal regulation of evidence-based policy-making in the European Commission’s provision of legislative proposal*
2. Vincenzo Forte – *The European Health Data Space and cross-border healthcare: addressing obesity-related discrimination through data integration*
3. Oguzhan Yesiltuna – *Cybersecurity Incident Reporting for AI Medical Devices: Stacking Up the MDR, GDPR, NIS2 and the AI Act*
